

Insights from Jeffrey H. Silberman, Managing Partner of Solomon Ward Seidenwurm & Smith, LLP

Solomon Ward Seidenwurm & Smith, LLP is a general practice law firm founded in 1977 which provides sophisticated, high-quality legal services on a personalized basis. As SWSS celebrates its 25th anniversary this year, the firm is truly grateful to have had the opportunity to grow and evolve in the San Diego business community.

The extensive expertise and diverse practice areas of its lawyers enables the firm to efficiently handle matters with various levels of complexity and to provide a full range of legal services to individuals and businesses of all sizes. Firm practice areas include corporate, securities and general business, litigation, real estate, taxation, employment, international, trusts and estates, bankruptcy and insolvency law.

Jeff Silberman joined the firm as an associate in 1986 and became Managing Partner two years ago, succeeding his mentors and current partners Herb Solomon and Rick Seidenwurm, founding partners of SWSS and former Managing Partners.

Says Silberman, "Irving Hughes has been a resource for SWSS since the late 1980's." They have helped with all of the firm's lease renegotiations and assisted the firm in adding a significant amount of space since SWSS moved to its current downtown offices in 1986. "We have consulted extensively with Irving Hughes over the years about our needs and opportunities. Irving Hughes is an excellent student and prognosticator of the real estate market. We will continue to include them in our long-term strategic planning."
